

Advisory Board Invitation

About Fundable

Fundable is a registered 501(c)(3) non-profit organization dedicated to empowering grassroots changemakers from marginalized communities. Recognizing that traditional funding often overlooks these visionary leaders, we provide them with holistic support to scale their initiatives and create lasting impact. Our comprehensive five-year program includes:

- **Personal Growfund:** A five-year, no-strings-attached salary, allowing changemakers to focus entirely on their mission.
- **Long-term Launchpad:** Funding for physical infrastructure to establish a stable base for their projects.
- **Network Expansion:** Opportunities for professional development, mentorship, and capacity building to enhance long-term sustainability.

Our mission is to democratize and decentralize support, ensuring that changemakers have the resources they need to transform their communities.

Advisor Role & Engagement

We are assembling an **Advisory Board** of influential individuals passionate about social change and committed to guiding our mission. As an advisor, your expertise will be invaluable in shaping our strategies and amplifying our impact.

Advisors are esteemed professionals from diverse sectors, including development, social media strategy, communications, policy, finance, and program development. Your association will enhance our credibility and provide strategic direction to our initiatives.

Commitment Expectation

We respect the busy schedules of our advisors and propose a commitment structured as follows:

- **One full-day session per year** or
- **Two half-day sessions every six months**

This flexible arrangement ensures meaningful collaboration without imposing significant time constraints.

Expectations and Contributions

1. **Strategic Guidance:** Offer insights on organizational growth, program development, and scaling strategies.
2. **Expert Consultation:** Provide advice in your area of expertise, such as social media, fundraising, research, or policy development.
3. **Credibility Enhancement:** Lend your name and reputation to bolster our organization's standing and trustworthiness.
4. **Networking Support:** Facilitate connections with potential partners, donors, and other stakeholders to expand our reach.
5. **Mentorship:** Guide our changemakers by sharing your experiences and knowledge to foster their professional growth.

Why Join Fundable's Advisory Board?

- **Mission-Driven Impact:** Contribute to a cause dedicated to uplifting marginalized communities and fostering sustainable change.
- **Collaborative Environment:** Engage with a network of like-minded professionals and changemakers.
- **Flexible Involvement:** Make a significant impact with a minimal time commitment, tailored to fit your schedule.

Join Us

We are eager to welcome advisors who share our vision and are willing to contribute their expertise to drive our mission forward. Your involvement will be instrumental in shaping the future of grassroots leadership and community transformation.
