

# Ambassador Board Invitation

## About Fundable

Fundable is a registered 501(c)(3) non-profit organization dedicated to empowering grassroots changemakers from marginalized communities. Recognizing that traditional funding often overlooks these visionary leaders, we provide them with holistic support to scale their initiatives and create lasting impact. Our comprehensive five-year program includes:

- **Personal Growfund:** A five-year, no-strings-attached salary, allowing changemakers to focus entirely on their mission.
- **Long-term Launchpad:** Funding for physical infrastructure to establish a stable base for their projects.
- **Network Expansion:** Opportunities for professional development, mentorship, and capacity building to enhance long-term sustainability.

Our mission is to democratize and decentralize support, ensuring that changemakers have the resources they need to transform their communities.

## Ambassador Role & Engagement

We are seeking dedicated **Ambassadors** who will serve as mentors, guides, and representatives of Fundable. Ambassadors will play a key role in enhancing the capacity of our changemakers while also promoting Fundable's mission.

## Commitment Expectation

Each Ambassador is expected to commit **4 hours annually**, which can be structured as follows:

- **One hour per quarter** or

This flexible arrangement ensures that Ambassadors can contribute meaningfully without overwhelming their existing commitments.
